HOW WE HANDLE MONEY

- We hold insurance premiums including premium refunds on behalf of the insurer.
- When you pay an insurance premium to us, we hold this money on behalf of the insurer. This means the premium is treated as if you had paid the insurer directly. If we become insolvent before the premium is transferred to the insurer, it is the insurer who bears the risk of not receiving the premium.

OUR FEES

In addition to the premium payable for any insurance product, fees payable by you to us are as follows:

- You make a mid-term adjustment to an existing policy - £5

HOW WE ARE REMUNERATED BY INSURANCE PROVIDERS

- We receive a commission from insurance providers which is a percentage of the premium you pay for the insurance product.
- We may also receive a percentage bonus commission from insurance providers which is dependent upon us reaching designated sales volumes.
- Our employees may receive a cash bonus which is dependent upon them achieving minimum call quality standards.

You are also responsible to answer these questions by providing complete and accurate information which the insurer will require. This also applies to your responses in relation to any assumptions you may agree to in the process of the application for insurance cover. This is particularly important before taking out a policy, but also at renewal stage and if you need to make a mid-term adjustment to your policy.

Any information that you fail to disclose, or misrepresent, which may have influenced the insurer's decision to accept the terms offered or the risk, could lead to the policy being invalidated or that any claim may not be paid.
